JOURNAL

OFFICE OF THE LEGISLATIVE COUNSEL

Friday - 2 April 1965

25X1 1. [redacted] Congressman Clenard Lipscomb called asking for information concerning the letter which was sent to a number of American businessmen from Moscow. It involved the USSR Chamber of Commerce, the Economic and Foreign Trade Organization and the Executive Committee of the Moscow City Council. The letter apparently extended an invitation to participate in either a meeting or an exposition. I advised Mr. Lipscomb I would see what we could get together on this and be in touch within a day or so.

25X1 2. [redacted] Joe Ray in the Bureau of the Budget telephoned to advise that the Bureau had no objection to our proposed report on S. Con. Res. 17.

25X1 3. [redacted] Talked with Colonel Glenn Smith, Senate Preparedness Subcommittee staff, with regard to his earlier conversation on the use of scientific consultants. Colonel Smith indicated that following a meeting with Johnny Foster, at the laboratories at Livermoore, it occurred to them that more efficient use might be made by AEC and CIA of these consultants if a long range program could be established as opposed to the intermittent consultations which they are now called upon to render. I told Colonel Smith I would discuss this with 25X1 [redacted] and be in touch with him at a later date.

25X1 4. [redacted] Obtained from Mr. Zeiler, in the office of Senator Thomas J. Dodd, a copy of the Senator's schedule for the Far East trip which he began on 31 March.

25X1 5. [redacted] Met with Mr. Edward Braswell who advised that he would attempt, if possible, to meet with Senator Saltonstall on Monday and obtain his approval of the Agency retirement rights. He has not been able to meet with the Senator on this matter through today even though the Senator has indicated his willingness to review the regulations so that the Agency might get on with its retirement program.
